

# WRAP

## Work Readiness After-school Program

For high school students with a visual impairment who attend their nearby local school- students will be picked up at the end of the school day from their school.

On the 1<sup>st</sup> and 3<sup>rd</sup> Tuesdays - the unique resources of Maryland School for the Blind will be focused on helping YOU get ready to work:

- ✓ Start building an employment profile- identify your interests and skills!
- ✓ Improve workplace communication, relationships and problem solving skills!
- ✓ Know and advocate for YOUR adaptation needs- including the technologiesfor each worksite we visit.
- ✓ Improve the skills for independence needed for work- including organization, appropriate dress for work, mobility skills, shopping for and preparing lunch.

Activities are facilitated by highly qualified MSB staff including Orientation and Mobility instructors, Career Education teachers, Vision Rehabilitation Specialist, Low Vision Specialist, Social Worker, and Teachers of the Visually Impaired. Dinner is provided and some transportation assistance home is available. This program is made possible through a partnership with DORS.

For additional information please contact Susan Vanderhoff, L.C.S.W.-C, at 410-925 0364 or susanv@mdschblind.org
