Dear Parents/Guardians:

We look forward to having your child back at The Maryland School for the Blind for the 2021-2022 School Year. To help us prepare for their safe return we need your help.

Make sure to make an appointment with your child's Primary Care Provider/Physician. Please complete attached forms, return them to the Health Center by **July 16, 2021** and deliver medications to school by **August 20, 2021**, so that reconciliation can be done in an unrushed and careful way.

### Registration Forms (Use as a checklist)

Signed by the Parent/Guardian and required for ALL students

- Clinic Permission Form
- Emergency 911/Insurance Form
- Health Update Form
- Over-the-Counter Medications Form
- Nutrition Order Form – Regular Diet

Signed by the Doctor and required for ALL students

- Physical Activity Form- also needs signed by the parent/guardian
- Physician's Nutrition Order Form for students with nutritional concerns

### **If applicable for your student:**

- Gastrostomy Feeding Orders- Required for students who have a G-tube and filled out/signed by the doctor
  - GT students must have a complete unexpired replacement kit at school before the start of school.
- Medication Administration Authorization Form- Required for students who receive medications while at school and filled out/signed by the doctor and signed by the parent
- Part 1 – Sports/Physical History by Parent- Filled out/signed by the parent
- Part 2 – Sports/Physical History by Physician- Required for all students who will be participating in any MSB sports and filled out/signed by the doctor
- Immunization Form - If included in your packet, necessary immunization documentation updates are required

### Medications

Before the medications can be administered in the school setting in accordance to Maryland State regulations:

- Medication orders and medication labels on the prescription bottle **must match**
- Over-the-counter medications (vitamins, creams, and ointments) must be in a **pharmacy labeled container** or have a pharmacy label attached to the box or tube. Label must match medication order that accompanies medication.

Please remember that the registration paper is important to the care of your child. Failure to send in completed paperwork can result in a delayed start of school for your child. The Health Center strives to provide the safest care possible for our students. If more registration papers are needed, you can find them at <https://www.marylandschoolfortheblind.org/my-msb/registration-and-school-forms/>
